BIG RIVER

The Ohio Bank Full and Rising At All Points Above, With More Rain.

Things are coming our way again, as the Dutchman said, when a plate of hot soup fell off the table into his lap, but this is one thing we don't want.

With the Ohio at this point at 4 o'clock Tuesday morning showing 40.4 on the gauge here and rising, things don't look good to those who are in the high water zone.

While we do not want to be classed as an alarmist, yet it does look as if there is going to be a rise sufficient to closely rub it if it does not reach the danger line here of fifty feet, and if this weather doesn't break up to something better there is no telling where it will go.

With all streams pouring big water into the main stream above and below there is sure to be a further rise of several days yet.

But don't rock the boat yet.

BISHOP ANDERSON AT THIRD STREET M. E. CHURCH TONIGHT.

The occasion that has been looked forward to for weeks, the address of Bishop Anderson, will take place tonight at the Third Street M. E. church. The service will begin at 7:30 o'clock and every one is cordially invited. No admission will be charged. A record crowd should be present to hear the great message the bishop will give. The large chorus choir will sing two anthems in addition to three great church hymns. The Epworth Adult Bible class will give a reception to the bishop in the Sunday school room immediately at the close of the address. Remember the hour of the service and come early in order to get good seats.

A LONG JOURNEY.

Dr. Charles W. McClanahan of West Second street is in receipt of an interesting postcard from far-off Adrianople, Turkey. It is from Mr. Charles E. Allen, a graduate of the Maysville High School, the son of Mr. and Mrs. Bruce Allen, who removed from here to Florida. Mr. Allen is an attaché at the United States embassy at Adrianople and is interpreter to the consul. The card was mailed February 13, consuming about six weeks in transit.

The Ladies' Aid Society of the Third Street M. E. Church will meet Wednesday afternoon at 2:30 o'clock at the church. Ladies with Easter offerings are expected to come to this meeting. No refreshments will be served.

THE HOME OF QUALITY CLOTHES

DRESS UP

You remember Shakespeare wrote, "The apparel oft proclaims the man."

You know from experience this is true. You can't judge a man when you first meet him by his BRAINS OR CHARACTER, because you can't size these up at a glance; but you do unconsciously judge him by the clothes he is wearing.

March 27th to April 8th has been decreed "DRESS UP" time all over the country. This time has been dedicated to new Spring Clothes in recognition of the new season.

More men each year grasp the significance of better dressing. Some through personal experience; some through experience of others. "Hechinger" clothes are always "DRESS UP" clothes because they are fashioned by masters in design. Your taste in spring clothes may be conservative, or may favor the more noticeable, more radical models. We will show you both. You are sure of being dressed in perfect style and taste when you make your selection from our new spring models. We offer you a wide choice. As to price you may suit your own inclinations in this matter. Suits \$10 to \$30.

Reliability in Hunt's BLACK SILKS

Not all Black Silks are reliable in weave or dye, as many women have found out to their loss after wearing inferior weaves a short time. It is often actual economy to pay a trifle more a yard and get Black Silks that wear well, than to save the difference and have only disappointment instead of service. We call your special attention to the following weaves:

Cashmere Charmeuse, Pussy Willow Taffeta, Crepe de Chine, Gros des Londres, Crepe Meteor, Georgette Crepe, Japs. Messaline, Taffeta, Charmeuse, Poplins, ranging in price from 50c to \$2.25.

The Spring Suits

have been coming for days past. Hurrying out as quickly as they arrive too, at which no woman will wonder when she sees our unusually large stock and tries on these very latest models. PRICES \$15 TO \$35.00.

"Incredibly Good For \$2.50"

The woman who said this knew every detail that makes a really GOOD crepe de chine blouse. She knew the difference between good, stout silk and the sleazy kind. She knew the difference between the fine needlework and slipshod stitching.

Our price this week for butterfat, 37 cents, Maysville. Bishop Anderson of Cincinnati, is the guest of Rev. and Mrs. J. M. Lital of Wall street. Our new Spring wallpapers are ready for your inspection. Come in. CRANE & SHAFER. Miss Elizabeth Andrews of Flemingsburg, passed through this city Monday on her way to Cincinnati.

You Surely Must Come to Our Opening

FARMERS!

Save Manure From Your Live Stock

It is as precious as the golden grain in your bin. Farmers in the old countries recognize this, and they not only save every pound and apply it in such a way that the losses are reduced to the minimum, but they gather leaf moulds, sediments and mucks from swamps which they mix with manure in order to render them more valuable. Manure deteriorates very rapidly unless properly cared for. Don't leave it carelessly in the yard, thereby letting dollars get away from you, but come in TODAY and get a John Deere "hip-high" Spreader, the kind with the beater on the axle, and spread fertility and prosperity broadcast.
